

# CAMPUS MASTER PLAN

## University of Dayton

### Consultant Update - Burt Hill

---

March 29, 2007

Burt Hill has been analyzing information gathered through community and campus interviews and focus groups, and is benchmarking that information against the UD Strategic Plan. The planning team is currently developing preliminary concepts that will evolve into the new Master Plan. In addition, Burt Hill will continue to gather input throughout the entire master planning process, through collaborative work sessions and presentations.
