

# CAMPUS MASTER PLAN

## University of Dayton

### Focus Group

#### Focus Group 2 UDIT, Facilities Management, Auxiliary Services

Eight representatives from university departments including UDIT and Facilities Management met with Burt Hill as a Focus Group to discuss campus issues to be addressed in the master plan. The group also engaged in a visual listening exercise, identifying images they liked and disliked, which generated discussion about how they thought the UD campus could evolve.

Among the topics that were addressed were:

- Parking
- Campus edges and entrances/integration with Dayton community
- Classroom facilities
- Kennedy Union
- Campus Landscape
- Pedestrian circulation
- River as part of UD campus
- Student living conveniences
