

CAMPUS MASTER PLAN

University of Dayton

Consultant Update - Tripp Umbach

Tripp Umbach has now completed both the campus survey and a market survey of local residents living within 10 miles of the UD campus. Tripp Umbach made a brief presentation to the UD Campus Master Plan Steering Committee on March 21 with some initial research findings from these surveys. Tripp Umbach is continuing to analyze the primary market research data as well as secondary data relevant to the feasibility study. Final reporting and recommendations will follow.
